

OregonSaves Employer Timeline

*During 2018 it is very likely that you will be hearing more about the OregonSaves State sponsored retirement plan. It is designed for employers that do **not** currently have a retirement plan (such as a 401k or profit sharing plan) for their employees. Good news! Your current Plan allows you to certify that you already sponsor a retirement plan and you do not need to participate in the OregonSaves program. However, you will need to certify with OregonSaves that you offer an employer-sponsored retirement plan. Here are the certification dates found on the OregonSaves website:*

OregonSaves Employer Registration Timeline Based on number of employees

Based on last fall's experience for larger employers, you will receive a notice from the State about two weeks prior to your deadline. Once you receive this notice, you will log into their website and certify that you already sponsor a retirement plan.
